Award Recognition 2023 Night

GLOBAL GOLD EXPANSION BEGINS

Awardees Booklet

10th June 2023 (Saturday)

One World Hotel, Imperial Ballroom

The background is a vibrant golden-yellow color, densely populated with small, out-of-focus light spots and larger, sharp starburst patterns. Several bright, diagonal light rays emanate from the bottom left and bottom right corners, creating a sense of radiance and depth. Scattered throughout the scene are numerous five-pointed stars of varying sizes, some appearing as simple outlines and others as solid, glowing shapes. The overall effect is one of celebration and achievement.

Congratulations
to all
